

<b>AER(EP).P-66 - BASIC KNOWLEDGE</b>		
<b>MODULE 10. AVIATION LEGISLATION – CATEGORY A</b>		
<b>SUBJECTS</b>	<b>Knowledge Level for Cat A</b>	<b>Theoretical Training Hours</b>
<b>10.1 Regulatory Framework</b> Military/State Organisation: Role of the National Military Airworthiness Authority; Introduction to the military airworthiness regulations.	1	3
<b>10.2 Certifying Staff – Maintenance</b> Understanding of MAML and Certifying staff regulation (AER(EP).P-66, AER(EP).P-147 and AER(EP).DT-2019-024).	2	2
<b>10.3 Approved Maintenance Organisations</b> Understanding of AER(EP).P-145 and AER(EP).P-2005.	2	3
<b>10.4 Air operations</b> Operating Authority's responsibilities, in particular regarding continuing airworthiness and maintenance (AER(EP).P-2005); Aircraft Maintenance Programme; MEL/CDL or National equivalent; Documents to be carried on board; Aircraft placarding (markings).	1	1,50

<b>AER(EP).P-66 - BASIC KNOWLEDGE</b>		
<b>MODULE 10. AVIATION LEGISLATION – CATEGORY A</b>		
<b>SUBJECTS</b>	<b>Knowledge Level for Cat A</b>	<b>Theoretical Training Hours</b>
<b>10.5 Certification of aircraft, parts and appliances</b>		
(a) General: General understanding of AER(EP).P-21 and airworthiness codes (AER(EP).P-516).	N.A.	N.A.
(b) Documents: Military Type-Certificates, Military Restricted Type-Certificates, Military Supplemental Type-Certificates, Military Certificates Of Airworthiness, Military Restricted Certificates Of Airworthiness, Military Permit To Fly; National Certificate of Registration (AER(EP).P-7); Weight & Balance.	N.A.	N.A.
National Noise Certificate if required.	N.A.	
<b>10.6 Continuing airworthiness</b>		
Understanding of AER(EP).P-21 provisions related to continuing airworthiness (AER(EP).00-01-6 and AER(EP).00-00-5).	1	2
Understanding of EMAR-M, AER(EP).P-2005 and AER.00-00-6.	2	2

**AER(EP).P-66 - BASIC KNOWLEDGE  
MODULE 10. AVIATION LEGISLATION – CATEGORY A**

<b>SUBJECTS</b>	<b>Knowledge Level for Cat A</b>	<b>Theoretical Training Hours</b>
<p><b>10.7 Applicable Requirements</b></p> <p>a) Maintenance Programmes, Maintenance checks and inspections (AER.00-1-49, AER.00-1-63 and AER.00-1-24);</p> <p>Airworthiness Directives (AER(EP).P-21 and AER(EP).00-00-5);</p> <p>Service Bulletins, manufacturers service information;</p> <p>Modifications and repairs (AER(EP).P-21 and AER(EP).00-00-5);</p> <p>Maintenance documentation: maintenance manuals, structural repair manual, illustrated parts catalogue, etc. (AER(EP).0-0-2 and AER.0-0-8);</p> <p>Master Minimum Equipment Lists, Minimum Equipment List and Dispatch Deviation Lists or National equivalent.</p>	1	2,50
<p>(b) Continuing airworthiness;</p> <p>Minimum equipment requirements — Test flights;</p> <p>Maintenance and dispatch requirements.</p>	N.A.	N.A.
